

## Whole School Resources

Many large resource companies have created free access to their resources to support with home learning. Here are a great selection with some information on what you can use them for.

### Twinkl

Twinkl is a very well known and well used resource site covering the whole curriculum. They have offered 30 days free access to the whole site if schools are closed.

The access code is on the left and instructions on how to access can be found here - [https://www.twinkl.co.uk/blog/how-to-utilise-twinkl-during-the-coronavirus-shutdown-a-guide-for-schools?utm\\_source=twitter&utm\\_medium=social&utm\\_campaign=corona](https://www.twinkl.co.uk/blog/how-to-utilise-twinkl-during-the-coronavirus-shutdown-a-guide-for-schools?utm_source=twitter&utm_medium=social&utm_campaign=corona)

### Classroom Secrets

Classroom secrets is very similar to Twinkl, although the resources are more focused on maths, English and GPS. They have created some home learning packs and also free access to their 'beta' kids page. All information can be found here - <https://classroomsecrets.co.uk/home-online-learning/>

### White Rose Maths

#### **We have maths covered!**

We are busy planning some free packages for schools to use if they have to close due to COVID-19.

The first set will be released next week.

They include video tutorials and access to our premium content.

This is an outstanding maths resource that we use to assist with our own planning. They are currently working on some online tutorials and content that will be available if schools do close. Visit their homepage at <https://whiterosemaths.com/homelearning>

### Oxford Owl

A range of free e-books that you can access and read with your children. Check it out here

<https://www.oxfordowl.co.uk/for-home/>

### Researchify and Researchify audiobooks

What would you like to research?

A search engine that has been specifically created to support children who may want to research work for projects in the event of school closure.

There are also a selection of audiobooks and pdf books which you can read for yourselves. Visit [www.researchify.co.uk](http://www.researchify.co.uk) and

[www.researchify.co.uk/audiobooks](http://www.researchify.co.uk/audiobooks)

Mr A, C and D Present

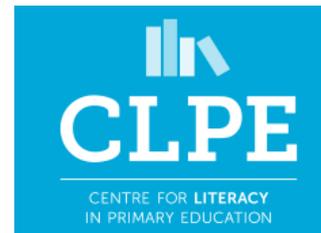

*Mr A, Mr C and Mr D Present*

This website are offering a free month trial to support in this time. There are a range of resources on different subjects that you are able to download.  
<https://www.mracdpresent.com/>

Centre for Literacy in Primary Education

On the free resources page of this website (<https://clpe.org.uk/library-and-resources>) you can find videos, classroom examples and activities to support reading, writing and cross curricular learning.

Khan Academy

Khan academy is a free sign up website which will give you access to a range of video resources on different subjects. They are also offering a daily schedule and other resources. Visit it here <https://www.khanacademy.org/>

We are Teachers

This website have a range of resources. Two that particular caught our eye were <https://www.weareteachers.com/math-card-games/> where you can use a deck of cards to practice maths skills and <https://www.weareteachers.com/virtual-author-activities/> where authors are reading aloud their books.

WE ARE  
TEACHERS

Scholastic

Scholastic, who provide our book fairs in school, have put together various resources that are free to access, including online books. Although the grade levels are American, you can transfer. Pre K and Kinderkarten is EYFS and Y1, Grades 1 and 2 are Y2 and Y3 and Grades 3-5 are Y4, Y5 and Y6. <https://classroommagazines.scholastic.com/support/learnathome.html>
