

KS2 Suggested Stationery - September 2024

When your child is in KS2, in order to help them become more independent, we encourage the children to bring in their own stationery. Please see below for our suggested list:

Blue pen for writing (Berol rollerball pens are ideal)

Pencils (ideally HB)

Rubber

Ruler (ideally a 30cm hard, transparent ruler)

Purple writing pen for editing

Glue stick

Scissors

Colouring pencils

Small pencil sharpener

Ideally, the pencil case needs to be an appropriate size to fit in your child's tray.

We will be running a stationery shop in school at the start of each term, enabling your child to top up their equipment as needed.
